

**NOTICE**

This drainage map has been prepared for information purposes only. The location and ownership of facilities have been determined from available information provided by public agencies, but may not be exact. The user of this map is responsible for verifying exact location, ownership and regional versus local character of drainage facilities.

Additional information may be obtained from public plans and recorded deeds.

Character designations shown on this map are for convenience only and are not controlling. Neither the County of Orange nor the Orange County Flood Control District (OCFCD) assume any liability for inaccuracy of this map.
